COMPARE OUR PRUDENTIAL 15 Payment Life Policy with your 20 Pay Life Policy: PRUDENTIAL rate at say age 30 is \$22.26 per \$1,000.00, each year for 15 years. Then you have a paid up Policy for \$1,000.00 or, if you pay 6 years and cannot pay or don't want to pay longer your \$1,000.00 insurance would be automatically (that is without any action on your part) extended 18 years more, FREE. Should you get as far as paying 10 years the \$1,000.00 would be extended 28 years FREE, making a total of 38 years for 10 premiums. Should you pay the whole 15 years up, you will have a paid up policy for \$1,000.00, or, if you prefer, the Company will pay you in cash all the premiums you have paid in, less \$28.00 retained for expenses. In that case you will have been protected for \$1,000.00 for 20 years for \$28.00. Other ages in proportion.

Everything GUARANTEED. No Estimates. No restrictions as to residence, travel, occupation, violation of law, or war service. No extra charge for women. Loans on policies after 3 payments. 30 days grace on your payments of premium without interest.

The PRUDENTIAL having millions of capital and surplus, has the STRENGTH OF GIBRALTAR.

The PRUDENTIAL has more business on its books than any life insurance company represented in Edgefield county.

Sold Hogs by Telephone

A South Carolina farmer had a large number of hogs which were ready to kill. The weather was so warm that killing was out of the question.

He went to his telephone, called a dealer in Columbia over Long Distance and sold his hogs at a good price. He then called the local freight office and arranged for shipment.

The telephone is now a necessity on the farm. You can have one on your farm at small cost.

See the nearest Bell Telephone Manager or send a postal for our free booklet.
